C. CHICAGO, 2014: Mike Colletti

- 1. Progressing as usual. Will have more information fall of 2013
- 2. Hotel prices: Chicago Hilton \$159 single/double

D. FORT LAUDERDALE, 2015 – Mary Schick

- 1. Almost all events will be in one place at Nova Southeastern University.
- 2. Hotels: Hilton \$149 single/double, Hyatt \$149 single/double; Embassy Suites; On Beach - Sheraton \$149 single/double, Westin \$165 single/double; DoubleTree

E. PROPOSAL: WASHINGTON, DC, 2018

- 1. On agenda as component is time sensitive.
 - a. Motion to suspend rules, Sister Mary Patricia
 - b. Second: Kieran Larkin
 - c. Motion passed
- 2. Presentation: Roberta Hyland
 - a. All events will take place within a four block radius in DC, at the Convention Center and host Hotels, thus eliminating busing.
 - b. In 2011 the cost for busing was \$64,000. Eliminates busing, limits number of sites, lessens the cost and allows for simplification of process.
 - d. Convention Center cost: \$60,000. Includes use of pipe and drape to divide floor into competition rooms. "Noisier" events would be in hard walled rooms

- e. Convention Center, with plenty of gathering areas for competitors, would be used Saturday only (Policy, LD, PF, OO, Ext, Dec, OI)
 - f. Convention Bureau would help defray cost of convention center
 - g. Hotels bookings are key to success
3. Discussion:
- a. Charles Donovan: \$50,000 was Baltimore's cost for busing.
Elimination of transportation for would help bring cost down
 - b. Proposal tabled until Saturday discussion
 - c. Motion to adjourn: Ann Marie Duffy
 - d. Second: Charles Donovan
 - e. Meeting adjourned

9/29/12, 8:34 a.m. meeting resumed, called to order by Greg Cunningham, President

V. FINANCIAL STATEMENT 2012 - Mike Colletti (See Appendix B)

A. Explanation of losses for past tournament

- 1. Unanticipated expenses: buses, more elimination rooms, hotel food charges, room blocks not filled.
- 2. Attrition was a result of member schools not booking at host hotels. Original Penalty of over \$40,000 was worked down to a little more than \$14,000.
- 3. Cost of hosting national tournaments more expensive than ever
- 4. Discussion

Discussion included questions about options regarding catering for tab on Sunday, and that we are at the mercy of the hotels we use, that things have not worked financially for the past few years. Without large hotels and convention centers, we would have no large elimination rooms. We would have to go back to schools, using smaller rooms for finals and not have space for audiences.

“Discussion about attrition due to lack of hotel room nights booked. In 2010, the Omaha hosts provided lower cost options and still schools went out of the block, causing initial attrition penalties of over \$100K (Conference Direct was able to negotiate these fees down to \$32K, but those fines could have been financially devastating to the league

- 1.) Motion: Sister Mary Patricia
- 2.) Second: Kieran Larkin
- 3.) Motion passed

Greg Cunningham requested a change in order of agenda. Discussing in the following order: B, A, C

B) Article II, Section B, 2. ... per student staying in the designated NCFL Tournament Hotel Blocks. For students not staying in the designated NCFL Tournament Hotel Blocks the fee will be \$150 each. ... Proposed by the Executive Board

Discussion:

The Executive Board began the discussion clarifying it does not have any easy answers. Youth sports leagues and other organizations are having the same issue.

A friendly amendment to adjust the fee to \$100 for students staying outside of the NCFL Tournament block passed without objection.

Discussion continued about an understanding of the process and problems. Coaches may not understand the big picture. Suggestions to change the fee to \$100 per school would not cover attrition. A bus fee was also considered, but what do we do if a kid says “I lost my bus pass, I never got my bus pass” would you really turn a student down? There has been discussion to charge for transportation, but it is a logistical nightmare.

Mike Colletti pointed out that one more year like this and the league is done. Matt Dykstra also shared that the hotels are asking what are we doing to fix the problem? Conference Direct has successfully negotiated on our behalf, but history is showing that our league is not fulfilling its obligation, so these negotiations are getting harder. Attrition liability is more than \$100 per room night. Bills have been a fraction of the real cost.

Further discussion about equity being the issue: Marriott is paying the convention center for use of it based on use of their hotel. The direct impact comes when the league is not contributing to the hotel's sponsor funding by using rooms.

Bylaw vote (Weighted):

Yes: 124 No: 33 Result: passed

A) Article II, Section B, 2. ... The fee levied for registration in the NCFL Grand National Tournament shall be \$50 per student. For students of the NCFL Grand National Tournament Host League the fee will be \$40 each. Proposed by the Executive Board

Comments from Executive Council

Discussion to change the entry fee to \$65 per student permanently would be detrimental.

Schools would be willing to pay more for school membership rather than increase in entry fees. Could pay increase one year, but annually would hurt us.

Dave Long: Motion to strike last sentence – “for students of the National Tournament Grand National Host

League the fee will be \$40 each”

Sr. Mary Patricia: second

Voice vote: Passed unanimously

Steve DuBois:

Is there a way to make tournament cheaper?

Can we reduce the number of debate judges required?

Can we form a committee to look at big picture?

Greg Cunningham: make a formal motion – instruct board to look at this at the winter meeting

| Bylaw vote (Weighted):

Voice Vote taken. Result: passed

C) For the NCFL Grand National Tournament in 2013 there will be an additional \$10 charge for each student.
Proposed by the Executive Board

Discussion: The Executive Board is seeking to add a one time fee 2013 to help offset the losses from the past tournaments. According to business process, the league should have 3 times the estimated annual costs to be safe. If revenue is neutral or under budget the next two years, we should get budget back to where we need it. There was no anticipation of the attrition rates in Albany and the fees were incorrectly interpreted as an anomaly.

On a voice vote: 2 in opposition. Motion Passed

Catherine Luhr:

Move to discuss the Washington DC 2018 hosting

Marna Weston: second

Voice vote: passed

Discussion included clarification on items presented on Friday evening. After further clarification, the motion for Washington DC to host in 2018 passed unanimously.

D) Article II, Section C, # 3, b., 1.

Replace the current wording "No plan shall be offered by the affirmative" with the line "No plan or counterplan shall be offered by either debater."

Proposed by the Beaumont League

Discussion included a note that this is a housekeeping change, to make certain it runs as it is on the books – for LD. Currently, competitors are doing what they learned in camps rather than following the rules.

Dave Long requested clarification: no ramification if you do it. Just strategy. Judges will be made aware of the rules and use when determining winner.

Vote to replace current wording passed unanimously.

E) Article II, Section D, 9.

Add "Public Forum Debate" after "LD Debate" (this allows the use of computers and other electronic devices for use in PF rounds. Same rules of use for other debates will apply).

Proposed by the Palm Beach League

Discussion

Mary Schick: Palm Beach League supports action in order to keep up with other national competitions, keeping up with times. Some concerns were raised that PFD would morph into more evidence based debate.

After some discussion, a roll call weighted vote was held:

Yes 132 No 25 Results: passed

F) Article II, Section A - Eligibility, 3. Students - Add eighth grade before "current high school undergraduates" on first line. In third sentence, add 8th after All (so it reads "All 8th, 9th, 10th, 11th, and 12th year secondary students . . ." At the beginning of the fourth sentence, add "8th."

Proposed by the Palm Beach League

Discussion from Mary Schick: Allowing 8th grade participation would increase high school participation. Palm Beach would like to allow participation at local, not at nationals. There was not much support to include 8th graders at the Grand Nationals.

On a voice vote: Motion failed

G) Article II, Section D, #2: add "There must be a coach, judge, school representative or parent in attendance with each student or group of students registered from each school."

Proposed by the Buffalo League

Discussion from Catherine Luhr: It seems obvious that students should be accompanied by an adult, but there was a situation with a school last year who had a student without any supervision at all at the tournament. Concern is about responsibility, liability, insurance. In this age of litigation, we need to protect ourselves.

Steve DuBois: Motion to amend the main motion to add at the end :

“ registered for each school or school district.” Catherine Luhr accepted as a friendly amendment

On a voice vote: Motion passed

VIII. DISCUSSION ITEMS

A) All venues used for competition must have air conditioning.

Proposed by the Palm Beach League

Charles Donovan discussed issues at Baltimore: Air conditioning is wonderful but in the real world it is not always possible.

Much discussion objecting to the wording “MUST.” Roland indicated air conditioning is preferred but should not be required. No official motion made after discussion.

B) On the Saturday of nationals, a few (2?) buses circling from venue to venue so that coaches who have students at different competition venues can check on their students.

Proposed by the Palm Beach League

Discussion centered on costs associated with extra buses. No motion was generated by the discussion.

IX. NEW BUSINESS

1. Steve DuBois requested that the board:

- a. Look at ways to make ways to make NCFL Grand National Tournament less expensive and report back with answers.
- b. Look for ways to increase revenues and sponsorships for funding.

2. Mike Wascher:

- a. Coaches looking to teach debate for two weeks in China next summer are asked to drop Mike a note via email: miwascher@gmail.com

b. Dates not definitive until post NFL nationals. Probably the last week in July to mid August

3. Catherine Luhr: Past Presidents & Service Award Winners Club was formed to assist schools who have been affected by natural disasters. Much of this came about due to the impact from Katrina to member schools and the desire to help those impacted by the storm. It was Lynda Luce's desire that this worthy cause continue. In her memory, her family asked that donations be made in her name. Donations can be in her name and sent to her husband Paul at:

N2209 Birchwood Drive, Waupaca, WI 54981

Kieran Larkin added the importance to have past presidents take on projects specified by the National Catholic Forensic League.

Barbara Fontenot added that in the year of Katrina, the national office waived membership fees, entry fees, provided lunch, schools donated judges and materials for the leagues impacted. We would not have been able to exist or participate without their generosity.

4. Linda Vulcan requested the board put a letter together to provide explanation of changes in fees to schools and principals. The Board will compose such a letter.

Mary Schick asked if can we develop ideas for generating money for league. Consider increasing membership dues for 2014 on from \$25 to \$50? It would be a positive addition to revenue. While we cannot vote until 2013 fall, if we could determine a specific increase now, member schools would be prepared.

Mary Schick made a motion to permanently increase school membership fee from \$25 to \$50 for the year beginning 2013-2014

AnneMarie Duffy: Second

Discussion included the idea that the extra amount can still be decreased or overturned. With this motion, it will give leagues notice and time to discuss and prepare for the increase.

The motion to increase school membership fees from \$25 to \$50 beginning in the 2013-2014 academic year passed on a voice vote.

5. Dave Long: Motion to adjourn
Seconded, Motion passed
