

NATIONAL CATHOLIC FORENSIC LEAGUE CONSTITUTION

Up-Dated by R. Burdett, After Fall Executive Committee Meeting, 2019

ARTICLE I - NAME

The name of this organization shall be the NATIONAL CATHOLIC FORENSIC LEAGUE. It shall be referred to herein as the LEAGUE.

ARTICLE II - PURPOSES

The National Catholic Forensic League is an organization originating from the Catholic secondary school community in the United States for the purpose of providing a service to all secondary school students. In imitation of the example of Jesus Christ, who gave both humble service and articulate leadership, we seek the truth spoken in charity. All of the following regulations are inspired by and seek to further these fundamental human values.

The purposes of the LEAGUE shall be

- to encourage and to assist in the development of articulate leaders through whose skills truth may be widely spread and become an influence in the life of the nation,
- to promote curricular and cocurricular speech and debate activities in Catholic, private, and public secondary schools throughout the nation,
- to establish, to maintain, and to coordinate a system of Diocesan Leagues with the purpose of administering schedules of interscholastic speech and debate activities,
- to assist individual schools in speech and debate activities where no Diocesan League has been established,
- to sponsor and to administer the annual Grand National Tournament of the LEAGUE.

ARTICLE III - MEMBERSHIP

Section A - Eligibility

Any high school located within the geographical boundaries of the United States of America and Canada shall be eligible for membership in the LEAGUE.

Section B - Application and Certification

1. Application for membership shall be made to the Secretary/Treasurer of the LEAGUE through the Diocesan League where such a League exists. Exceptions may be granted by the Executive Council as necessary to conform to state requirements. Local Diocesan Leagues may exclude from membership a school within its geographical boundaries only for just cause. Such exclusion from a local Diocesan League shall result in loss of membership in the LEAGUE.
2. An individual school within a diocese where there is no established League will be permitted to join the nearest neighboring Diocesan League which accepts its membership.
3. An individual school within a diocese where the diocese does not have an established Diocesan League, and which can not join a neighboring Diocesan League may make application directly to the LEAGUE for Independent School membership. The deadlines for Independent School membership forms and fees shall be the same as for all member schools, with none admitted after January 31.

4. The NCFL Executive Council, after consultation with the League Director(s) of the affected League or Leagues and all interested member moderators, must sanction the formation of new Leagues from existing Leagues. All schools within the diocesan boundaries must join the League in their own diocese. A school will be given an option to remain in the original League to which it previously belonged and in which it previously competed. If said school opts to move back to the League in its own diocese, it will, from then on, have to remain in that League as long as that League continues to exist.
5. Application for membership in the LEAGUE shall be made with the written consent of the appropriate administrator of each school on the LEAGUE membership form.
6. The membership rosters of a Diocesan League shall contain at least one Catholic school to be considered for membership in the LEAGUE. Exceptions to this may be granted by the Executive Council in areas where no Catholic school exists or is active in forensics.
7. Membership shall become effective upon receipt of the form and annual dues by the Secretary/Treasurer of the LEAGUE. All applications for membership shall be subject to the review of the Executive Council. The Council must also sanction the shift of a given school or schools from one League to an adjacent League.
8. Membership forms and annual dues should be postmarked no later than December 20 of each academic year. The NCFL Annual School Membership Dues shall be \$50 (fifty dollars) per school. A ten percent (10%) penalty on dues will be levied against schools and Leagues which submit same after December 20 but before January 15. A twenty percent (20%) penalty on dues will be levied against schools and Leagues which submit same after January 15. Failure of a League to submit forms and dues postmarked by January 31 will result in the League's not being permitted to enter the Grand National Tournament for that academic year. Contestant quotas for the Tournament will be based upon forms and dues received by January 31.
9. The Executive Council shall have the authority to extend the dates for submission of forms and dues for good and valid reasons. Such an extension shall not be later than January 31.
